SUSTAINABILITY

On 12th of June 2024, the “**Study on the Key Elements Impacting the Sustainability of Education Facilities in Albanian Municipalities**” was launched at Europe House, Tirana.

The presentation covered four main areas:

- (i) assessing the operational capacities of the partner municipalities;
- (ii) evaluating the operation and maintenance needs;
- (iii) identifying existing gaps affecting the long-term sustainability of educational facilities; and
- (iv) providing recommendations to address identified gaps.
